Lloyd George's statement and 'Anquith's indorsement of it does not becessarily mean that the door is banged and bolled," the Daily News declares. "In a matter of this gravity there is necessarily much diplomatic manocuvring for position. Germany's arrogance is a disguise to cover the momentous fact that she has asked the allies to enter into negotiations, and the flat refusal is not meant to Big Task in Britain Is Given indicate that we do not want peace, but that Germany must ask for it, not in the role of a victor, but of the vanquished."

The Times says: "Lloyd George expressed thoughts and wishes and laid down a programme which will command the hearty support of the

#### BERLIN PAPERS SAY LLOYD GEORGE POSTPONES PEACE

AMSTERDAM, Dec. 20 (via Lon-George's speech, the Taegliche Rundschau of Berlin says:

"Reparation could be demanded by England only if Germany had declared war on England, if we were to blame for the war, if we had comlaw, and if we had been defeated."

The Lokal Anzeiger takes the viewpoint that Mr. Lloyd George's remarks about reparation are of no value, inasmuch as nothing has been said thus far about peace conditions. This newspaper continues:

"If Lloyd George means to postpone satisfying Europe's desire for peace until the time when the Entente is successful in conquering Germany's armies and those of her allies, then the whole of Europe, as well as Lloyd George, knows full well that this announcement means eternal war, unless it is in the power of the German command to bring it to an earlier termination than Lloyd George sup-

The Tagesblatt says it prefers to await the promised reply of the Entente, adding:

"For the present it appears that the gulf is very great between Lloyd file of organized labor the scheme

to the peace proposals of the Central Powers will certainly be as equivocal as the speeches of Lord George, Pre-mier Briand and the Italian Foreign Minister, Baron Sonnino. Neverthe-less, the idea of peace has made a step forward."

#### FRENCH GENERAL ASKS **RECALL FROM ROUMANIA**

British Officers Sent to Aid Ferdinand's Army Have Left, Says Berlin Report.

BERLIN, Dec. 20 (by wireless to Sayville).—Gen. Berthelot, the French as railways. military strategist, has asked to be recalled from the Roumanian front, straight from Ireland to the Imperial mation they may have. left for England.

pand of Roumania and Gen. Alexieft of the Russian army regarding the military situation. Gen. Alexieff will report to Emperor Nicholas, says the newspaper, in the lack of an oppor-tunity at present for the Emperor to receive King Ferdinand in person.

NEW HOPE FOR IRELAND

Home Rule Question Likely to Be Settled at Imperial Conference.

LONDON, Dec. 20.-The British public had much to reflect on to-day The reply to the German proposals NEW AND LARGER U-BOAT don).-Commenting on Premier Lloyd had been anticipated. The domestic programme of the new Government was not published until this morning and it was too vast and too briefly indicated for the immediate crystal- Stops Dutch Steamship on Way to limation of opinion.

mitted crimes against international foreshadowed by the Premier was the sory powers to place all the labor of the State at its services. His proposal therefore follows somewhat on ment to give the Government compulposal therefore follows somewhat on the line of the German mass levy.

osal therefore follows somewhat on a new and larger type, he said. She beline of the German mass levy.

When Mr. Lloyd George invited the ficer Veldheer, who went aboard with abor representatives to join his Labor representatives to join his Cabinet this scheme was put before them, but they deferred judgment until detalls were given to them. While expressing the opinion that, afte ompulsory military service, industria conscription is not impracticable, the Labor leaders are dubious as to its success, feeling the outcome depends entirely on how the workmen take it If there is hostility in the rank and

George's standpoint and that described from the German side as the basis for peace."

The following is from the Socialist newspaper Vorwaerts:

"Lloyd George says that whoever wantonly prolongs the war will have a crime upon his soul. Do not these words imply strong self-condemnation if Engiand rejects the negotiations offered by the central powers?"

The Neu Weiner Journal, published in Vienna, says:

"The reply of the Entente Nations to the peace proposals of the Central one, but Mr. Chamberlain's great experience in business is expected to carry him through.

> He will have a military director under him to conduct recruiting for the army and a civil director in charge of ecruiting for industry.

Dealing with the relations of the War Cabinet with the general Government, Mr. Lloyd George suggested that the connection be maintained by circulation of reports of the proceed ings of the Cabinet. As to Parlia ment, he hinted that the French Committee system might be adopted.

Shipping and coal mines are to be put under the same kind of control

The fact that the Premier passed Conference suggests that he hopes to time past, according to reports re-find a solution of the Irish problem made diplomatic efforts to free the in this conference. It had been blatt, which also says that the ma-jority of the British officers attached would be one of the subjects of disto the Roumanian general staff have cussion at the next Imperial confer-The newspaper likewise reports a long conference between King Ferdinand of Roumania and Gen. Alexieff of the Russian army regarding the of the Russian army regarding the long-disputed question.

Ambassador Elkus at Constantinople reported the Porte's action to the State Department to-day. Efforts will be believed this will be the best means of settling the long-disputed question.

The Government probable will be action to the State Department to-day. Efforts will be made to have the time of internment shortened.

The Government probable will be action to the State Department to-day. Efforts will be made to have the time of internment shortened.

The Government probable will be action to the State Department to-day. Efforts will be made to have the time of internment shortened.

The Government probably will require the whole eight weeks of the Parliamentary recess to produce the measures foreshadowed, which also include more drastic dealing with excess profits and an increase in food production by an extension of cultivation.
